Year 2 Home School Challenge

What makes our world hot and cold?

Due in by 14.2.22

Writing Challenge

Imagine you are on a visit to Brazil or the Arctic. Write a diary entry about your day. What is the weather like there? What can you see? Are you enjoying your trip?

Maths Challenge

Use you knowledge of tens and ones to partition these numbers:

63 31 12 79 96

Record your answers in part-part-whole models or by drawing tens and ones.

Challenge: Can you find more than one way to partition these numbers?

Theme Challenge

Pack a suitcase for your adventure to either Brazil or the Arctic.

Take a picture, design and label or write a list of your suitcase's contents!

Science Challenge

Take a look at the materials in a room in your home. How many different materials can you see?

Record the names of these materials in your book.

Complete all of the tasks in the speech bubbles.

Choose 2 or more of the blue tasks to try at home.

Research it!

Find out how to say some phrases in Portuguese (the language spoken in Brazil).

Design it!

Design a special outfit that would keep you warm in the Arctic. Think carefully about the materials you might use.

Ask it!

Ask a family member or friend about the hottest and coldest places they have visited. Can you locate these places on a map?

Draw it!

Draw or paint a picture of your favourite animal that lives in the Amazon rainforest.
